

My music composition title is Travel

My music composition story is about my family  
trip to Hong Kong. We took a cab to Changi Airport  
and then flew on the airplane. I felt so happy because  
I enjoyed the whole journey with my family.

I love MYC because I get to play game like throwing  
ball while learning music.

I love MYC because it allows me to spend quality time with  
my daughter, learning music through fun activities. It's  
helped me understand her better and strengthened our bond.
